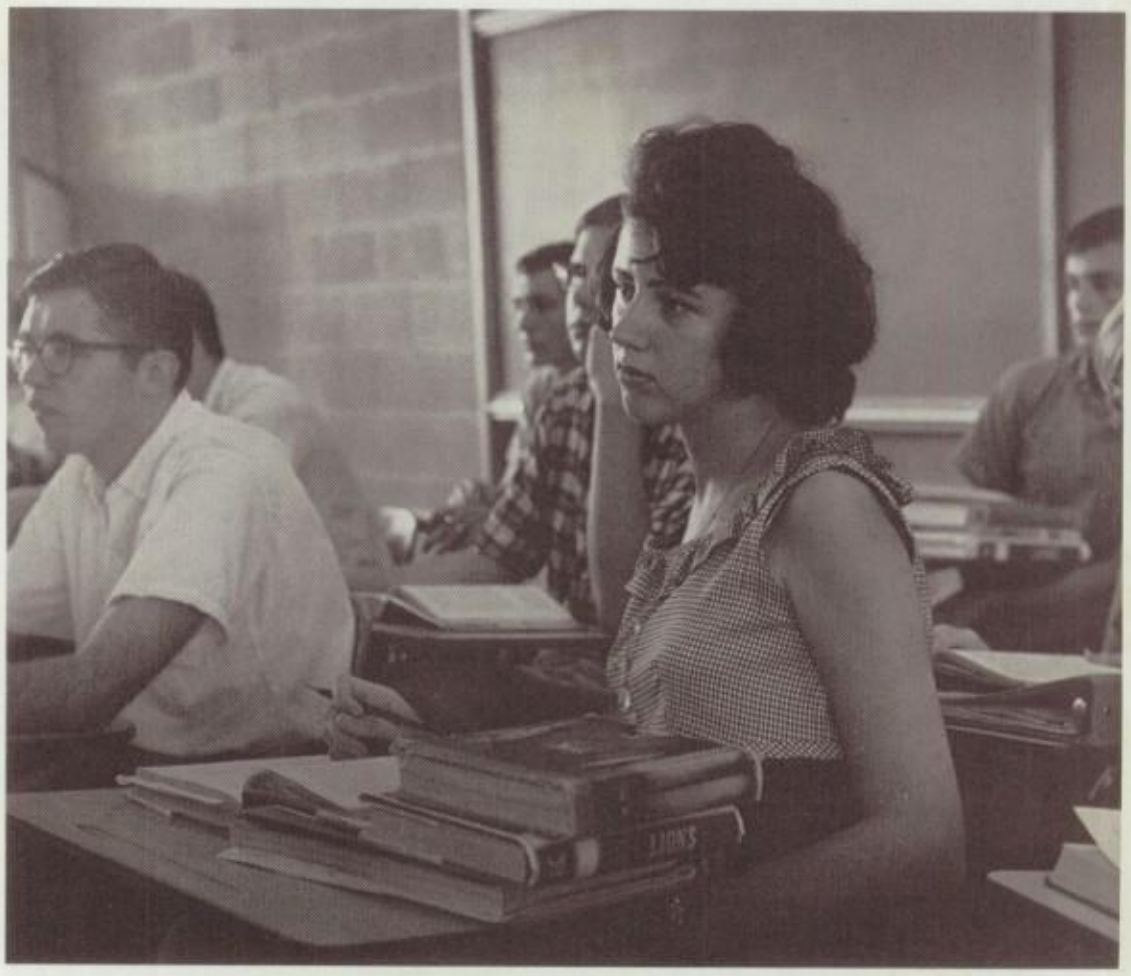
THE 1966 CLARION

King High
Tampa, Florida



Foreword

King High is an institution dedicated to the betterment of the adolescent mind. It does, however go farther. It prepares young people to enter into the world of tomorrow.

The CLARION is a record of the activities of this school, its victories, its defeats, joys and sorrows. This then is the outstanding record of a year of which we can all be proud.

Dedication

It is altogether fitting that this book be dedicated to a man who is himself so dedicated, dedicated to the betterment of young people. He has instilled the desire to succeed in an untold number of students. Just being near him motivates students to try to excel. He carries with him a competitive spirit which has earned him the respect of every student at King. He has been more than a mentor, he has been a friend to the students. It is therefore a privilege and a pleasure to dedicate this, the 1966 CLARION to,

Mr. Richard Carlson.

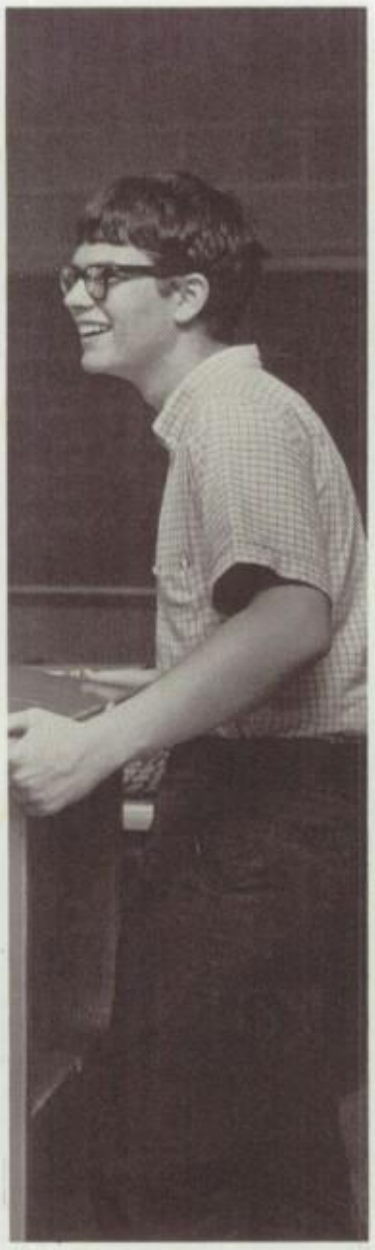
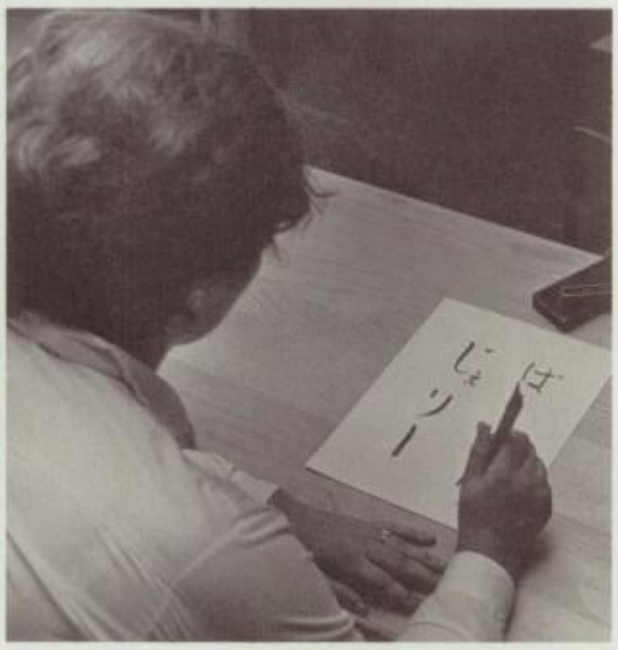
THE KI

We enter into halls that are familiar to some and new to others.
We are inspired by the spirit of pride that makes us The King High.
New names are learned and traditions established.
We have begun.





We practice and study.
We constantly strive for
perfection.

We are filled with pride
upon our successes.

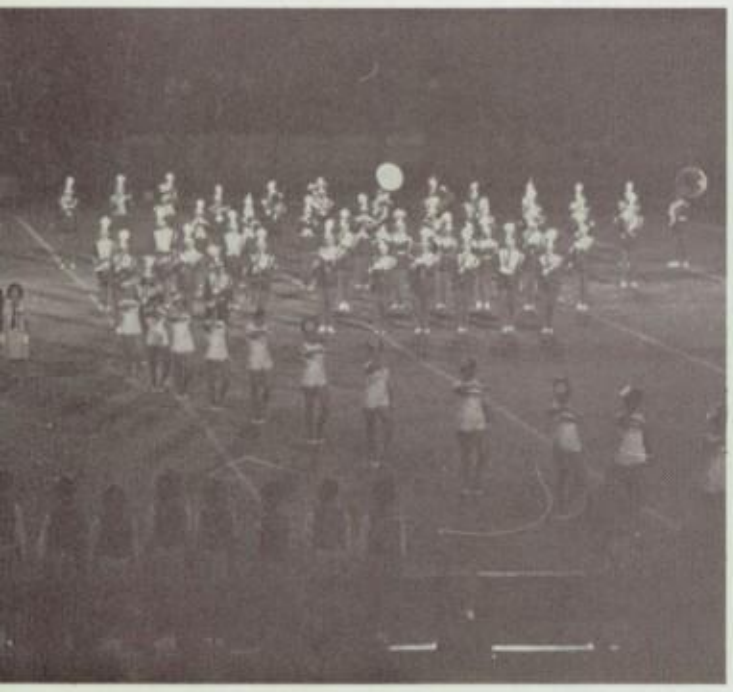
PRESIDENT

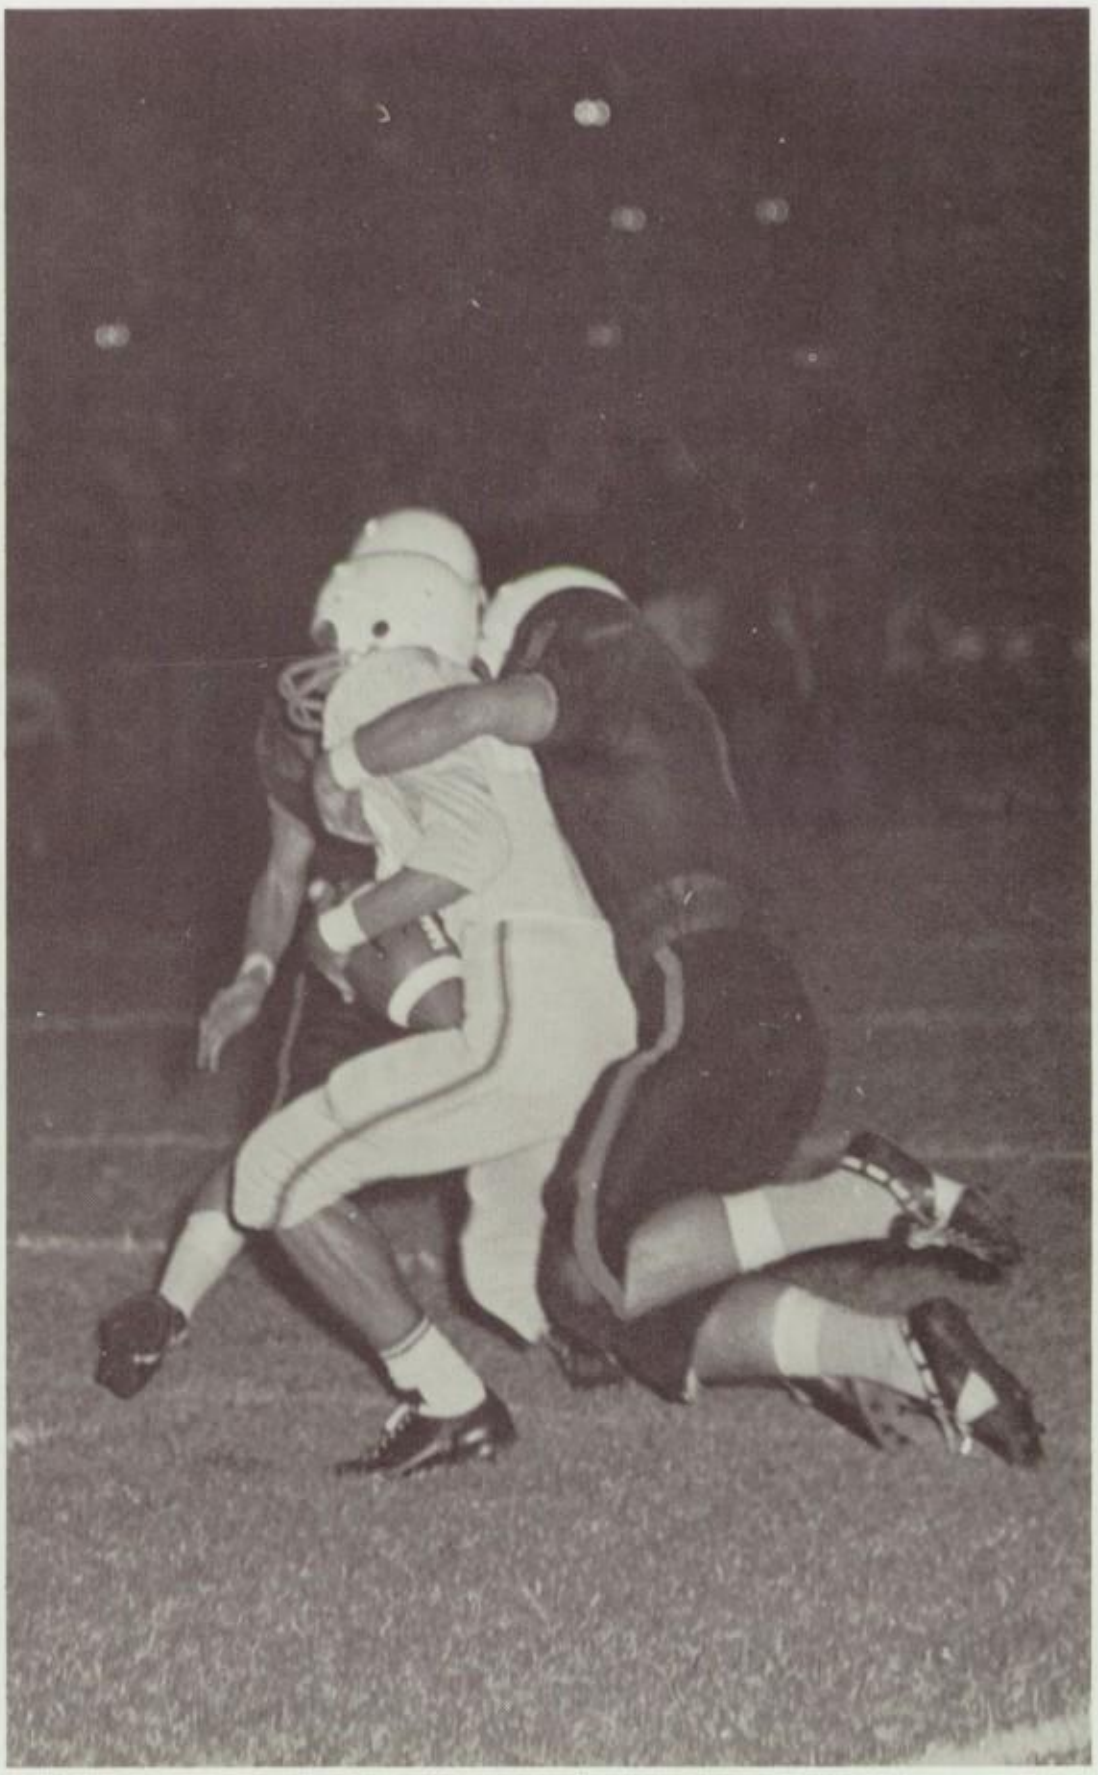
We select our leaders.
We are caught-up in the spirit of high school.
We are now the "Lions"

Homecoming

We make ourselves known in sports.
We welcome home our grads.
We honor our beauty.
We pause to reminisce.

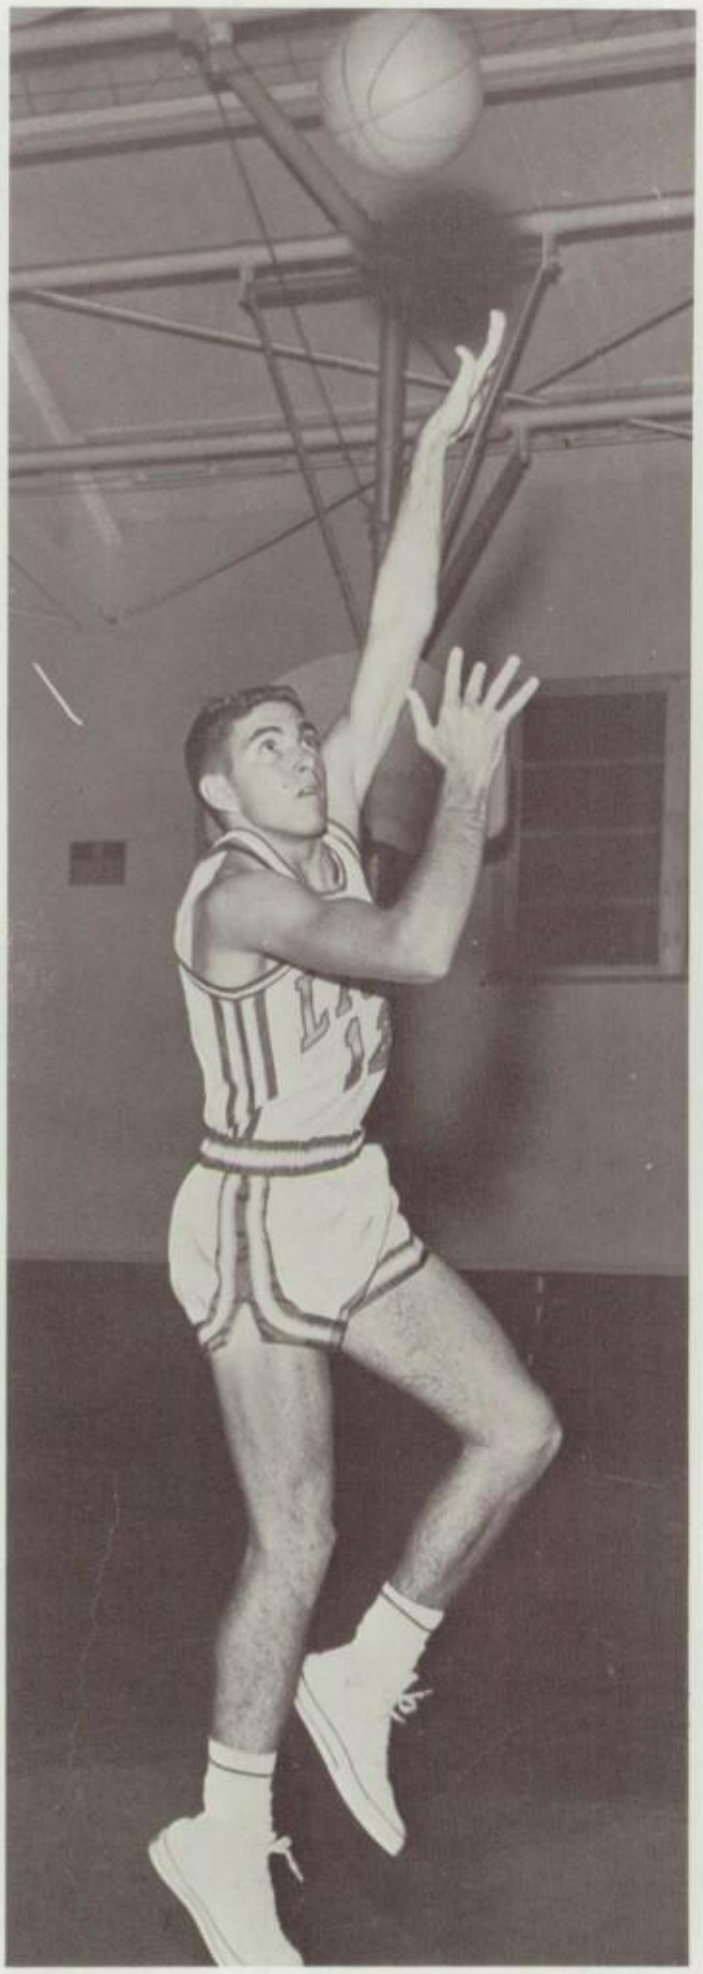
'65

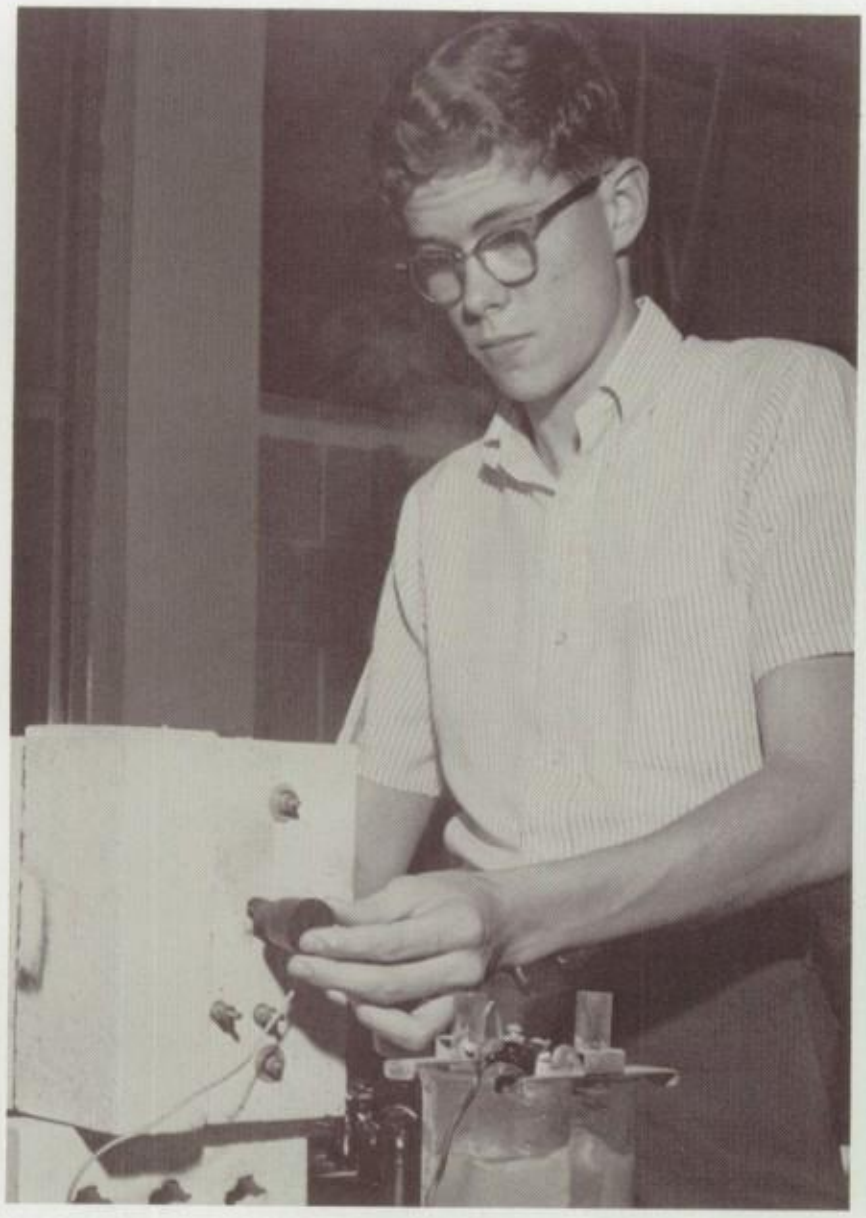




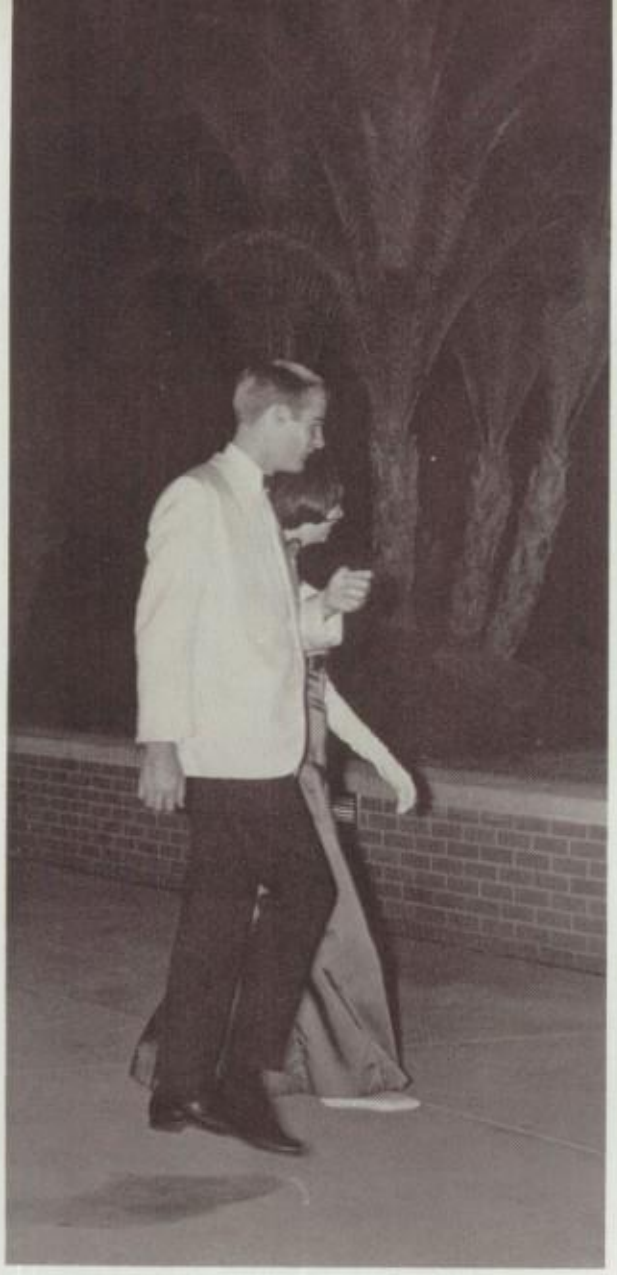
We laugh and celebrate together.
We break for the holidays.

We return for a new semester.
We participate in new sports.
We win and we lose, we succeed and we fail, but always we are proud of our every endeavor.

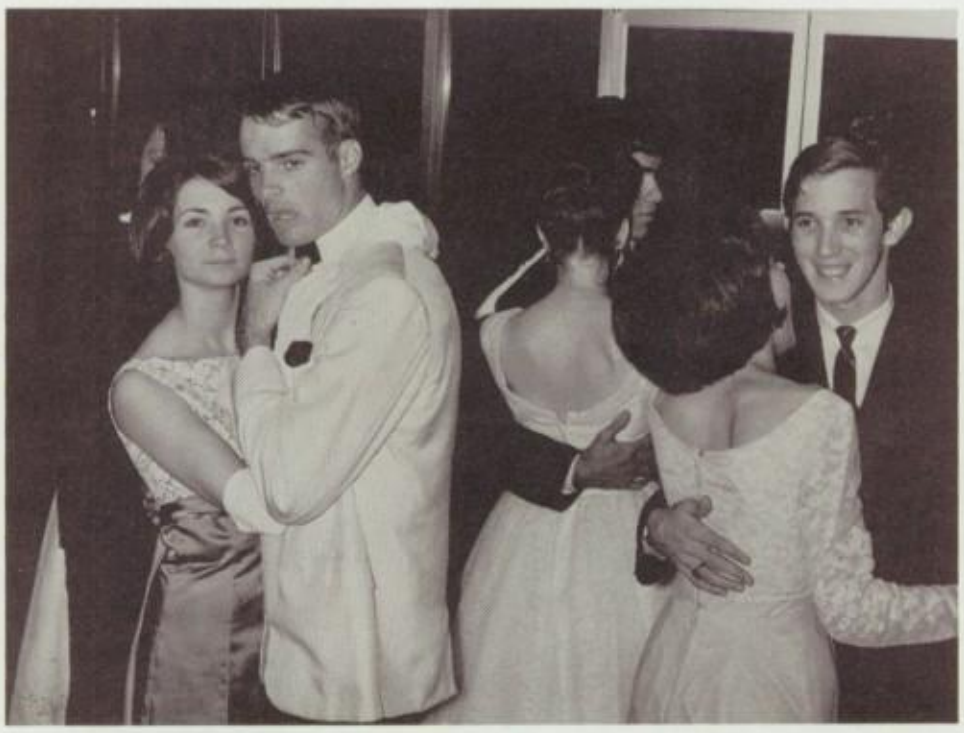


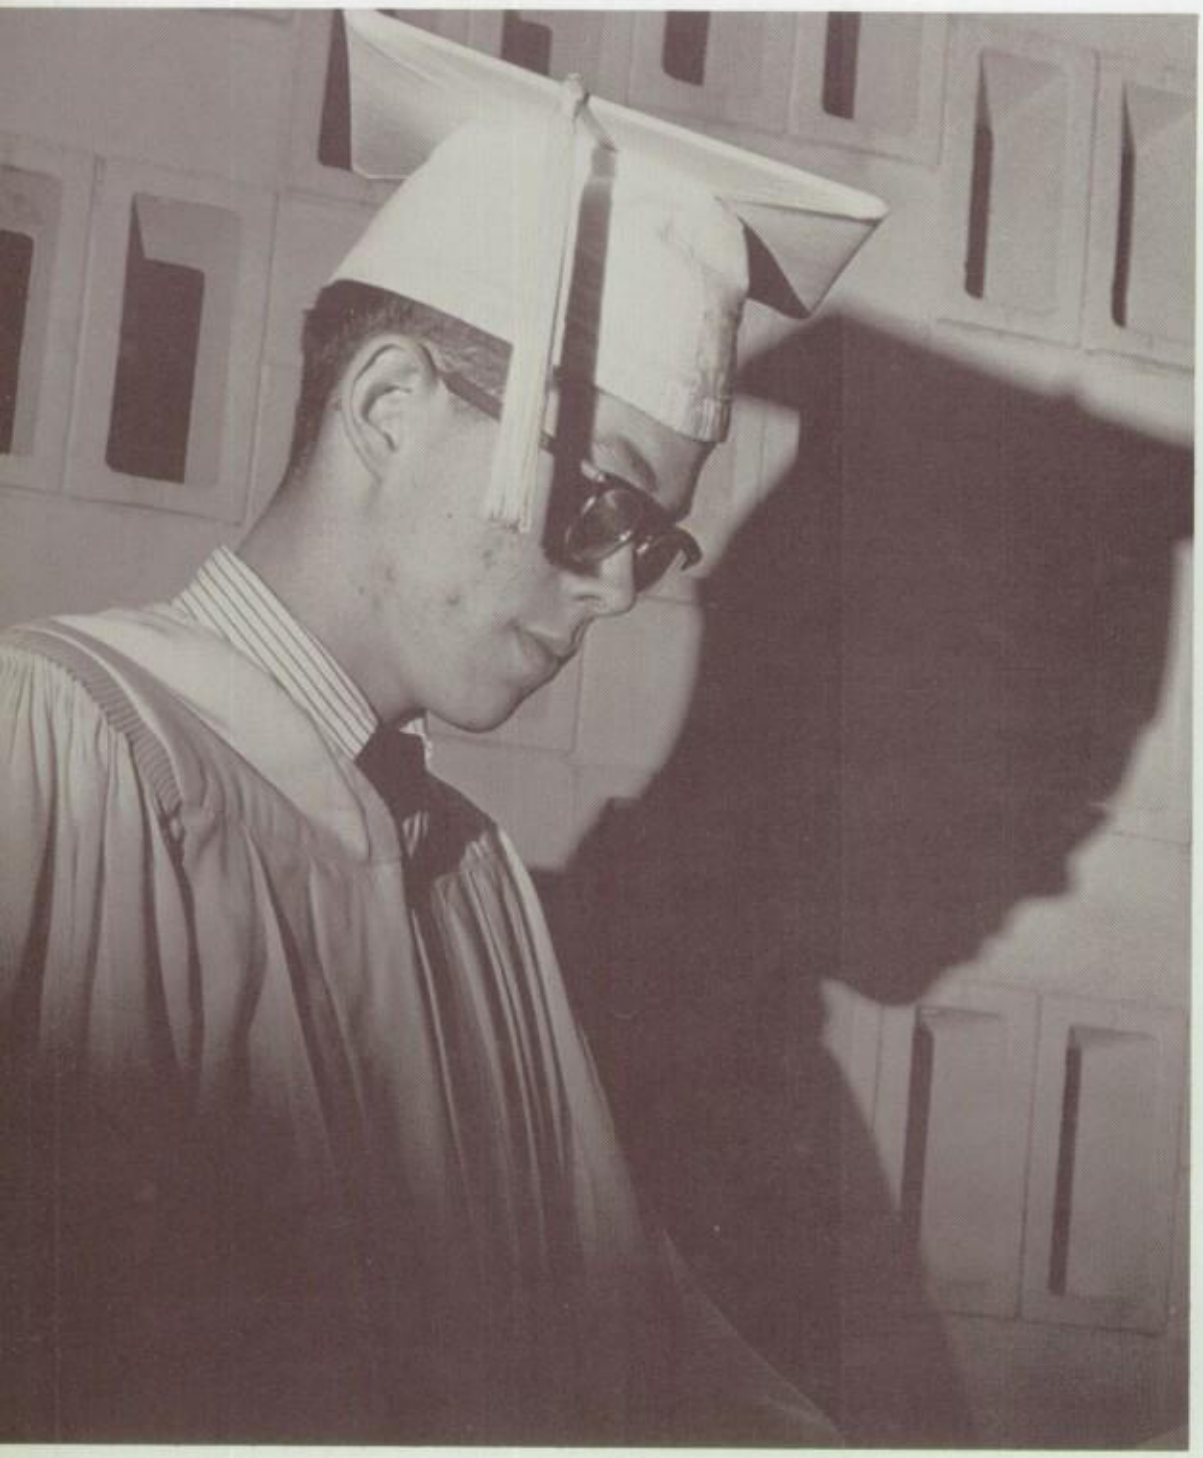


We apply our talents in our everyday activities.
We prepare for and take our exams.
We are ready to leave, but don't really want to.



The end of the year draws near. We try desperately to capture each fleeting moment. We dance and rejoice, and pause to cherish our friendships.





But time passes quickly. What was
the beginning is now the end.
We shall leave to go our separate ways.
But always the spirit of The King High
will be with us.

STUDENT COUNCIL

The most important aid to school spirit is the Student Council, and this year our organization sponsored many "spirit-raising" projects. Having a Color Day, Quiet Day, Bermuda Day, and selling Beat Tags are standard procedure. But this year the Student Council undertook two new projects, to become tradition at King. One of these was a bonfire before the football game with our major rival each year. The other was a student directory listing the address and phone number of each student.

This major part of every school, the Student Council, is the functioning link between the students, student government, and teachers. The King High School Student Council has always done an exceptional job in this field of service.

Key Club

A project long needed by KHS was undertaken by the Key Club this year. They placed a roster stating the names of the basketball players of each team in our home gym. Last year the Lion's Den sign for the stadium was put up by this club. It seems that their motto, "We Build", has been carried out to a worthwhile extent during the past few years.

FRONT ROW—President, Bruce Wilkinson; Tom Wentz, Steve Wenzel **BACK ROW**—Billy Allee, Bob Wilder, Dwain Wilder.

Kiwanettes

The Kiwanettes served King in various ways this year. The sale of the personalized key chains was one aspect of this service.

Being sponsored by the parent club, they were called upon many times for service outside the school. Ushering for a performance by Pete Fountain was perhaps the highlight of the club year for those girls who participated.

Opti-Miss

The Opti-Miss Club sponsored by the Temple Terrace parent club, had perhaps the greatest success of any club with their project this year. That was the sale of KHS graduation pins to all classes.

Comprised of approximately thirty girls, the Opti-Miss Club strives to serve the school and community in ways which are most needed.

Para-Medics

Another interest club which caters to the needs of students' future careers is the Para-Medics Club. The members of the club gain experience by assisting doctors and working in hospitals or veterinarian's offices. This club presents a valuable opportunity for early preparation in the field of medicine.

Lion's Celebrate Winning Season

The Pride showed by the Lions sparked a new name for King High in the Western Conference Circles. King, the smallest team in the Western Conference, ground out a winning 5—4—1-record. Size can be a handicap but for King it aroused the drive and desire to defeat five and tie one of these tough opponents.

Two of its five wins were important upsets. The underdog victory of King over Winter Haven cost Winter Haven the Western Conference Crown.

Even in defeat the team was determined, beaming with pride, our Lions are proud of the hard long-fought record they battled for this year.

King 20 ..... Lete 0	King 7 ..... Plant 14
King 13 .. Hillsborough 24	King 24 ..... Manatee 6
King 6 ..... Lakeland 0	King 13 .. Chamberlain 13

King 27 ..... Jefferson 6	King 7 ..... Robinson 21

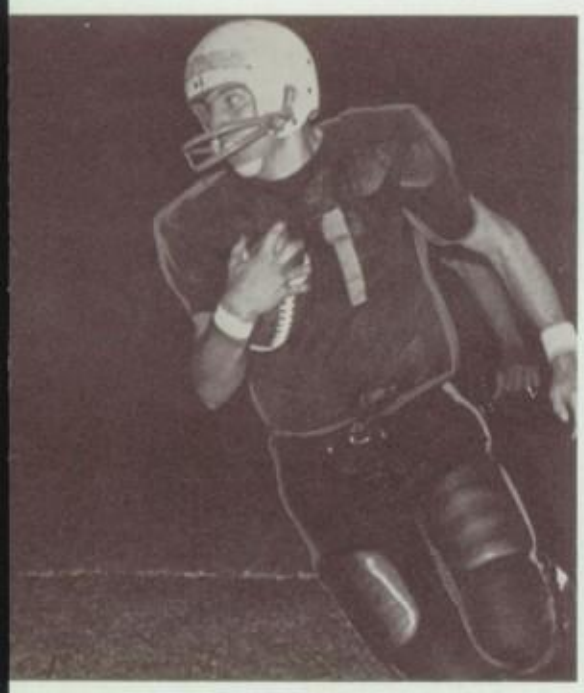
King, kicked off its '65 season with a 20—0 victory over Leto. The Lions found a tough opponent even though it was a new school. Roger Rhodes and Ralph Tate both went over for one big touchdown. The shock of the night was when Senior Lineman Fred Ceconi recovered a fumble in the end zone for a big lineman's six points.

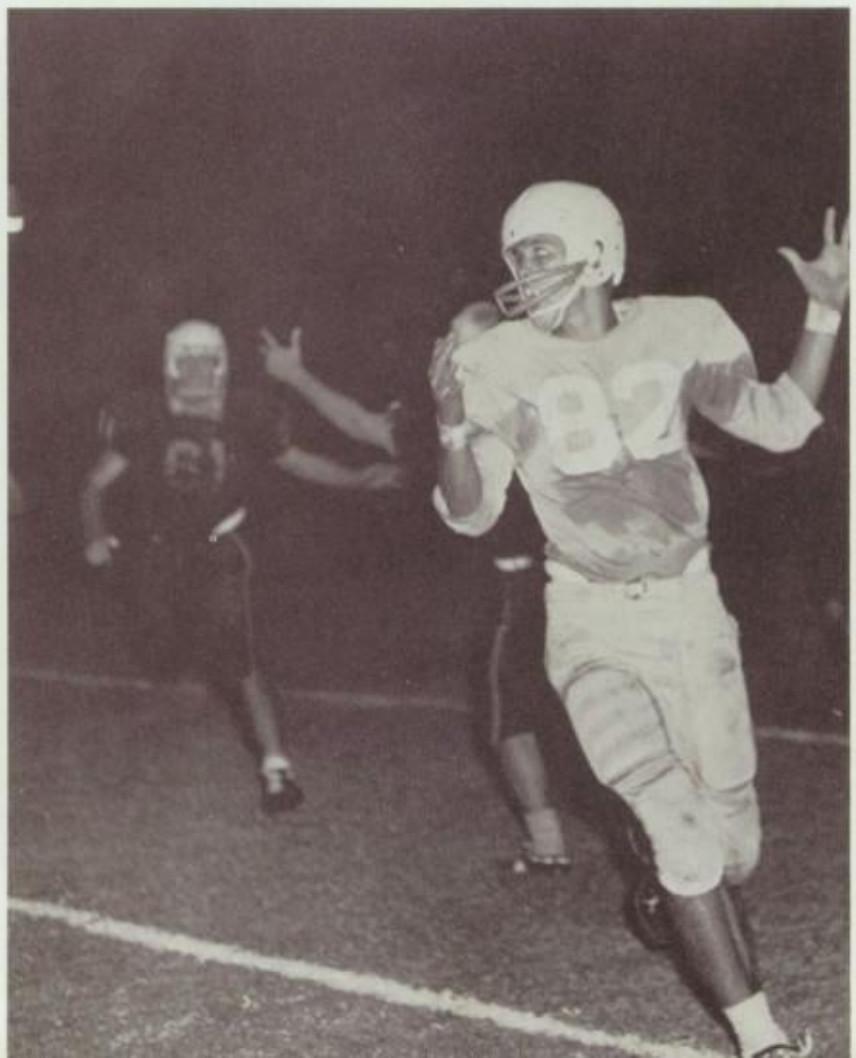
Next King took on the Big Red and the Lions were handed their defeat. In the air the Terriers killed our fighting Lions and Hillsborough took home a 24—13 victory.

The next team to come to the Lion's den was Lakeland. King had never beaten Lakeland and they came to us the big favorites. The Lions went out to win and when Tate went over for six points the crowd was right there behind him. The defense worked superb with fine hustle from Tom Wentz and Dale McHugh who intercepted three passes and two fumble recoveries.

Lions charge on for another victory.



All conference Ronnie Boully prepares to receive a pass in the Plant game.



Brandon, a very under rated team, went looking for a victory and found one in a cliff hanger victory over the lion's. First blood was drawn by the eagles. King came back with a pass from Tate to speedy end Jim Macaluso for six points but failed to get the one. King then scored again but again the kick failed. Then late in the fourth quarter Brandon found the hole in the Lion's defense to score again and win by the margin of two crucial extra points.

The combination of Ralph Cooper and Ralph Tate was just too much for the Jefferson Dragon's to handle. The Lion's were up and rolling for this game and Jefferson couldn't stop them as the Lion's took home a 26—6 victory.

The Tate-Macaluso two-some were there for the first touchdown in the Plant game to give King the lead right to almost the end of the first half then Plant pushed over for their touchdown. At the start of the second half both teams tried to grind out the much needed yardage for the score then Plant's Mark Ely drove over for the Winning touchdown. The Lion's roar was too vicious for Plant and thus we held them to a seven point advantage, 14—7, being the only team to hold them to such a slim victorious margin.

The Lion's put it to Manatee with a fine 24—7 victory. This was our fourth in seven games. The game was completely one-sided and Manatee did not have much of a chance against the proud fighting Lion's.

The 13—13 tie in the King-Chamberlain game was because of the extra point missed by both teams. The first half of the game was dominated by King. The lions picked up the first down and missed the extra point which later cost King a victory. The second touchdown came just before the half making the score 13—0. Chamberlain came to the second half ready to play ball. The game completely reversed and Chamberlain dominated. Chamberlain scored once, missed the kick and scored again. The game ended with Ralph Tate running out the clock to hand King a 13—13 tie.

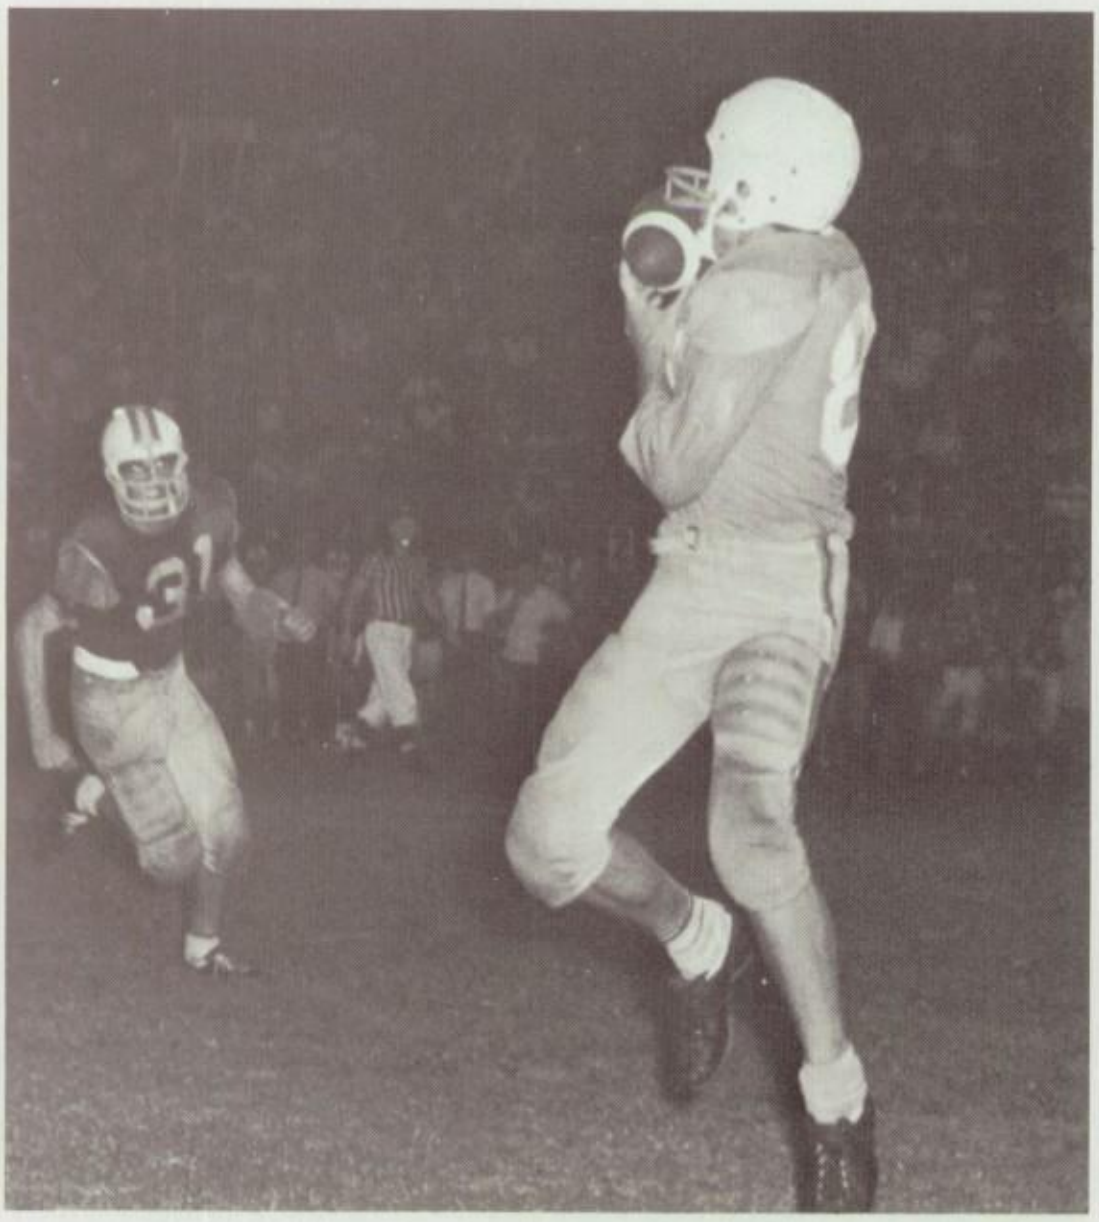
Ronnie Bouly leaps high into the air to reel in long yardage.



A smashing tack

It was Winter Haven's homecoming and King traveled to the Blue Devils den the underdog. Winter Haven, second in the conference had to win in order to have a tie for the conference crown. The first break of the game was made by Winter Haven when they recovered a fumble on the 4 yard line and the King Lions made a brilliant goal line defense to stop the threat. The King Lions desire was never quelled and in the second quarter the Lions drove in their first touchdown to tie the score at the half to 7—7. At the beginning of the second Half the score tied both teams were looking for the much needed yardage. The crack King defense held. Winter Haven opened once and Ralph Cooper caught King's second touchdown pass and King went on to battle out a 13—7 upset victory over Winter Haven.

With a 5—3—1 record King went into the Robinson game with a winning season after its upset against top rated Winter Haven. A strong Robinson team coming to the Lions Den overpowered the mighty Lions by a score of 21—7.

The King High Lions roared to their most successful season in the history of the school. Behind enthusiastic crowd support, the team battled its way through the touch Western Conference ranks to a fine 14—9 record.

Being the smallest team in the conference, it came as a surprise to most to see our scrappy Lions pull out one victory after another. Laymen and sports writers alike, were caught off-guard by the sudden rise of King to one of the basketball powers. The team always battled until the final whistle blew, losing two games on last-second shots by the other team.

Size was a problem all year. With many of the teams towering over us, it was only our pride and desire that carried us through. Among the highlights of this year, two stand out the most. Les Parker set a new scoring record by bucketing 37 points against Brandon. Second and perhaps the sweetest, was the last-second, upset victory over highly praised Chamberlain.

Our J. V. Lions showed vast improvement this year. Toward the end of the season, they dumped several teams that had given them a tough time at the beginning of the year. With continued practice and the installation of Lions "Pride", it looks as though we'll have some fine ballplayers in the coming years.

Action at Cuscadon.

The Lion baseball teams of the past have shown a great deal of desire and natural talent, even so far as being the state runners-up in '64. This year's team put in long hours of practice in addition to a lot of natural talent. As the season progressed, the team gradually pulled together into a winning ball club. A balanced defense plus an explosive hitting team made us one of the most respected teams in this area.

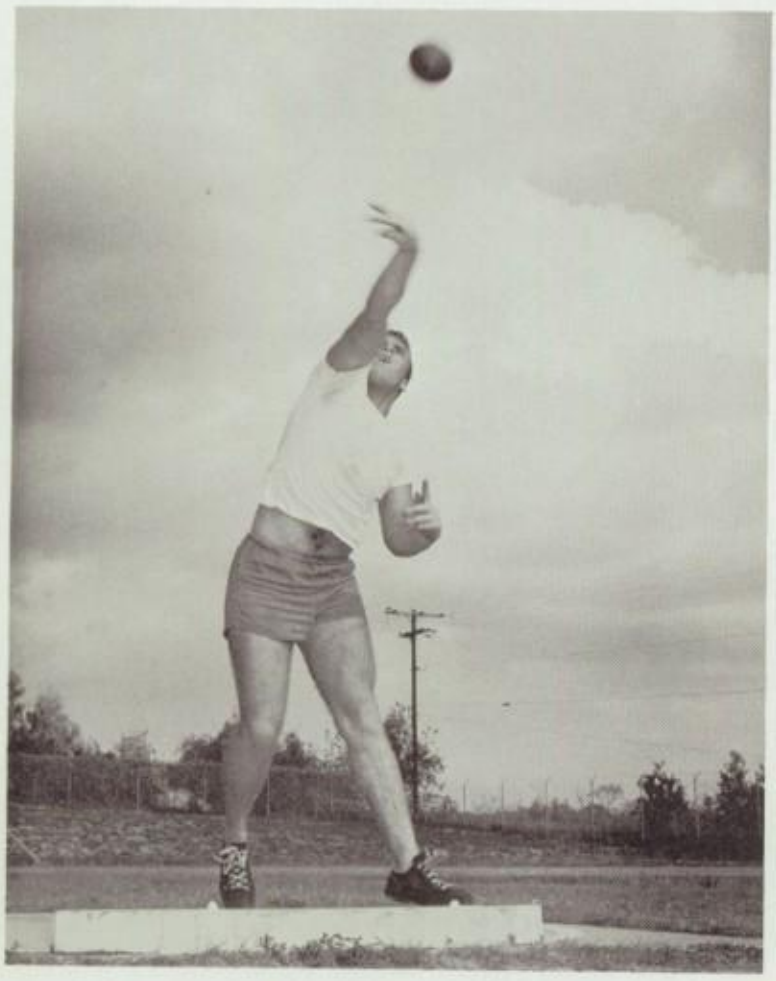
Junior, Ralph Tate strains over the bar in the pole-vault.

Our track team had a lot to live up to this year. Last year our team established an outstanding record winning both the city and conference and going to the state meet. This year's team was however, much more balanced. Point getting ability in the field events and an almost unmatched running team, we held our place of prestige in this area. Besides the talent our team has, their wins have given them a sense of pride. Coach Carlson continually instills desire in the team and it is this motivating force plus talent like Jim Macaluso that produces winning teams.



With a last second explosion, Earl Austin sends the shot hurtling through space.

One of the strong points of our team is our relay teams. Here Alan Crawford and Carl Rhim exchange the baton.

We had a smaller, but much more aggressive squad this year. With an explosive team, King came back into the spotlight in conference swimming. With returning lettermen like John Buckner and Bob Wilder our team gained the poise and experience that it needed.

This year's golf team had the enviable task of keeping King on the top of the heap in conference golf. With a lot of early practice and natural talent, we put together a team with that typical King "class". "Spirit", a word rarely associated with golf, was present in this year's team and was a driving force behind them.

Tennis

A new addition to this year's spring sports was the tennis team. Led by senior Francois de la Menardiere, we gave a good showing in all of our matches. We showed continuous improvement throughout the season, and gave many of the more experienced teams something to think about. A surprising interest in the sport was shown by the students, and it looks as though it's here to stay.

Francois and Charles Hustead team-up in a game of doubles.

With unrelenting
crescendo, the
symphony of a
life replete
with melodic
progression
hastens to its
finale. And a
friendship that
is ours to share,
with its "largos"
and "allegros"
moves ever-
lasting; onward
in sweet memories.

Epilogue

"A flower unblown; a book un-
read;
A tree with fruit unharvested;
A path untrod; a house whose
rooms
Lack yet the heart's divine per-
rumes;
A landscape whose wide border
lies
In silent shade 'neath silent skies;
A wondrous fountain yet un-
sealed;
A casket with its gifts concealed-
This is the Year that for you waits
Beyond to-morrow's mystic gates."
